Please find enclosed copies of a letter and enclosures sent to the Committee of Counsel with regard to renewal of the Harvard University project. Dave has asked that I solicit any observations or comments that you may have.

Assuming we do not meet earlier to consider the Harvard extension, would you prefer a meeting of the Research Liaison Committee on Wednesday, July 28 or Friday, July 30? There is presently a meeting of the Executive Committee scheduled in New York at 10:00 a.m. Thursday, July 29, and a CTR meeting the same afternoon at 2:30. The 28th and 30th dates would tie in with these meetings.

Sincerely,

William W. Shinn
